

This is what I've found to be the easiest way to get to their baseball field:  
After you cross I-30, on 635, take the Oates exit. Make a right at the light. As soon as you pass Sonic, take a right onto Galloway, you will begin to see some little league ball fields on your left. Turn left into the school campus (Republic) and the high school field will be to your left in about 100 yards.

Some of these roads don't seem to appear on the map above, but it's really easy to find.
