

# Classroom Rules

1. Do not get out of your seat without permission when the teacher is up front conducting class. (If everyone is doing seat work, you may get up to get something or ask a question).
2. Do not talk when I'm talking. When the class is called to order ("Attention" or "Quiet"), you have 3 seconds to end your conversation or you will get a Demerit.
3. Do not touch anything that is not yours:
  - a) Hands off the teacher's desk
  - b) No sitting in the teacher's chair or stool
  - c) No leaning on the podium
  - d) No writing on the whiteboard
  - e) Do not write or scratch on the desks or walls
4. Whining and Complaining will get you no where!
5. You may not work on any other homework until you are **totally** finished with all your history assignments (including test corrections).
6. You must be in the classroom when the bell starts to ring and in your seat when the bell stops ringing. Do not come to class and ask if you can go to the bathroom and not be late.

7. Homework is your grade. Do not tell anyone what you got for a certain answer or share answers. **THIS IS CHEATING!**  
Cheaters will receive Zeroes.
